

Just a brief list that I have personally used and endorse, due to their tremendous value, as well as, the tremendous fruits derived as a result.

**The Holy Mass would be of greater profit if people had it offered in their lifetime, rather than having it celebrated for the relief of their souls after death.”**  
- Pope Benedict XV

**“Put all the good works in the world against one Holy Mass; they will be as a grain of sand beside a mountain.”**  
- St. John Vianney

**"This sacrifice alone has the power of saving the soul from eternal death, for it presents to us mystically the death of the only-begotten Son. Though he is now risen from the dead and dies no more, and death has no more power over him, yet living in himself immortal and incorruptible he is again immolated for us in the mystery of the holy sacrifice."**  
- St Gregory the Great.

**“Here on earth it’s impossible to perform a more meritorious act than visiting Jesus often in the Eucharist. If you took all of the good works done by all of the humans who have ever lived in all of history and stacked them all up and multiplied them by a million, they wouldn’t equal the merit, the virtue and the worth of one Mass. The Eucharistic sacrifice is Christ’s infinite merit, infinite value.”**  
-St. Teresa of Avila

**Ephesians 6:18**

**18 praying at all times in the Spirit, with all prayer and supplication. To that end, keep alert with all perseverance, making supplication for all the saints..**
